

DIY Daffodil Kit

Instructions

- Cut out rectangular stem and roll into a narrow tube. Fix with clear tape.
- Cut out each petal shape. Place one on top of the other (ensuring you can see all 6 petals) and carefully pierce a hole in the middle of them.
- Cut out the trumpet and bend into a cone shape. Fix with clear tape.
- Crease the tab of the trumpet along the centre and thread through the holes in the petals securing at the back with tape.
- Push the trumpet tab into the stem tube and secure with tape.
- Happy St David's Day!
